Dear Lee White:

The Canadian Foster Family Association (CFFA) Board of Directors has elected to endorse Foster Parent College as an excellent training resource for foster parents throughout Canada.

The CFFA is a National organization with a mandate to speak as a collective voice for foster families throughout the country with a primary goal to enhance the quality of care provided to children and youth in Canada. We believe that foster parent training enhances the quality of care and is a support for foster parents.

Our decision reflects our belief that the quality of training provided on your site makes it a valuable tool for foster parents in coping with issues presented by the children or youth in their care. We find the courses relevant, informative, engaging and easy to use.

In summary, we feel confident recommending Foster Parent College to Foster Parents and hope that many will take advantage of this service.

Sincerely

*Sheila Durnford*
