

December Webinars Explore FPC

December 10, 2008

EUGENE, OR--*Discover Foster Parent College* and *Online Management Training Systems* are the topics of Webinars hosted through the month of December by Foster Parent College's Val Stilwill.

Online Management Systems will help you:

- Identify the characteristics of a good program
- Learn how an agency can manage their caregivers' online training
- Learn about accountability through program reports and tracking tools
- Find out how to communicate with your caregivers as a group or individually and how to encourage group participation
- Learn how to incorporate an online program to complement existing in-house programs

This Webinar lasts approximately 1 hour and will be held every Tuesday at 8 a.m. Pacific Time and every Thursday (except Christmas Day) at 1 p.m. Pacific Time.

Discover Foster Parent College will:

- Take you on a tour of the Web site
- Answer questions about online training

This Webinar lasts 30 minutes and will be held every Wednesday at 9 a.m. Pacific Time.
