

FOSTER PARENT COLLEGE

Online training at a time, place and pace that's convenient for parents.

Welcome to Foster Parent College

Foster Parent College strengthens agency efforts to train and support foster parents by providing quick and easy access - via self-paced online training - to expert help on specific parenting and behavioral challenges. Courses are interactive and built to engage parents and enhance learning.

What Sets Us Apart

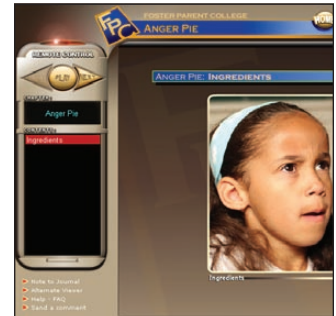

FPC courses are developed by experts in parenting, pediatrics, psychology, psychiatry and parent education. Courses are researched for quality and effectiveness.

Types of Courses Available

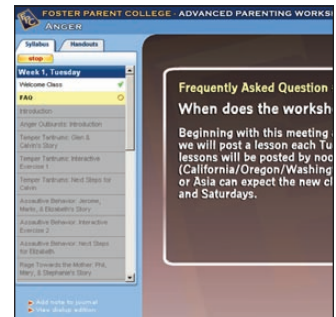

Self-Paced Courses

Self-paced courses include a 30- to 40-minute multimedia presentation, interactive review questions, printable handouts and summaries. Courses are visual, interactive and easy to use. Completion yields 2 hours of training credit and a Certificate of Completion.

Advanced Parenting Workshops

Advanced Parenting Workshops take a deeper look at a challenging behavior while teaching advanced problem-solving skills. Courses are taught by a parenting expert and monitored by teaching assistants. Workshops begin the first Tuesday of each month, span three weeks and allow participants to log-in and study at their convenience. Yields 6 hours of training credit and a Certificate of Completion.
